WORKING EXPERIENCES

Sales cum admin 2021 JUN - 2021 OCT
TcherOnline | Singapore
Deal with the parents about their child's problems and promote the plans via phone texts and calls. Update all the sales in a channel and record them in the file. Upload the new schedules for the teacher. Always be online to solve any problems that may exist.

Telemarketer 2020 JAN - 2020 MAR
Asia Fibre Solutions | Petaling Jaya
Generate sales via phone texts and calls. Apply with the correct details and required documents. Process all sales into the sales portal. Able to generate at least two sales per day.

CERTIFICATION & AWARDS

First place 2022
Go Solutions Expert With Azure Challenge
A challenge organized by Azure. The participants need to complete all the modules to get a chance to win the prizes. The time given was around 1 month.

Third place 2022
Spectrum'22
A designathon which no coding is required. It's organized by IxDA India. We will need to choose a problem statement or case study and create a solution for it within two days. We need to provide documentation and a prototype to support our idea.
